**ORANGE COUNTY CHILDREN'S FOUNDATION GROUP HOME CONTRACT COMPLIANCE
MONITORING REVIEW**

The Department of Children and Family Services' (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Orange County Children's Foundation Group Home (the Group Home) in September 2013. The Group Home has three sites, one located in the Second Supervisorial District, one located in the Forth Supervisorial District; and one located in Orange County and provides services to County of Los Angeles DCFS foster children and youth. According to the Group Home's program statement, its stated goal is, "to increase the likelihood that those residents who remain in the program until their 18th birthday will demonstrate a measurable increase in academic and social adaptive skills and decrease in maladaptive behaviors to enable them to adjust successfully as adults."

The Group Home has three, 6-bed group home sites, each licensed to serve a capacity of 18 boys, ages 13 through 18. At the time of review, the Group Home served 13 placed DCFS children. The placed children's overall average length of placement was 7 months, and their average age was 16.

SUMMARY

During the review, the OHCMD Monitor interviewed children generally reported: feeling safe at the Group Home; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity.

The Group Home was in full compliance with 9 of 10 areas of our Contract compliance review: Licensure/Contract Requirements; Facility and Environment; Maintenance of Required Documentation and Service Delivery; Education and Workforce Readiness; Health and Medical

"To Enrich Lives Through Effective and Caring Service"

Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; and Discharged Children.

OHCMD noted a deficiency in the area of Personnel Records, related to one staff that did not have a current First Aid and CPR certificate on file. OHCMD instructed the Group Home's supervisory staff to enhance monitoring in order to eliminate documentation issues and ensure compliance with service requirements and all regulatory standards.

Attached are the details of our review.

REVIEW OF REPORT

On July 27, 2013, the DCFS OHCMD Monitor Mary Espinoza held an Exit Conference with the Group representatives, Rachel Suit, Assistant Executive Director, Todd Cutchlow, Administrator, and Denita Troswell, Consultant. The Group Home representatives: agreed with the review findings and recommendations; and were receptive to implementing systemic changes to improve their compliance with regulatory standards and to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

The Group Home provided the attached approved CAP addressing the recommendation noted in this compliance report. OHCMD will verify implementation of the recommendation and will provide technical assistance during our next visit in July, 2014.

**ORANGE COUNTY CHILDREN'S FOUNDATION GROUP HOME
CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2013 - 2014**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. This compliance report addresses findings noted during the September 2013 review.

The purpose of this review was to assess Orange County Children's Foundation Group Home's (the Group Home) compliance with its County contract and State regulations and included a review of the Group Home's program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, five placed children were selected for the sample. Out-of-Home Care Management Division (OHCMD) interviewed each child and reviewed their case files to assess the care and services they received. Additionally, three discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of the review, three placed children were prescribed psychotropic medication. OHCMD reviewed the children's case files to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

OHCMD reviewed five staff files for compliance with Title 22 Regulations and County contract requirements, and conducted site visits to assess the provision of quality of care and supervision.

CONTRACTUAL COMPLIANCE

OHCMD found the following area out of compliance.

PERSONNEL FILES

- One Group Home staff member did not complete the required training and the staff member's CPR and First Aid certificates were expired.

The matter was brought to the Group Home's attention. The staff member completed the CPR and First Aid training. A copy of the certificates was placed in the staff's personnel file and on October 15, 2013, OHCMD received verification that the training was completed.

Recommendation

The Group Home management shall ensure that:

1. All staff complete all required trainings in a timely manner.

PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD's GROUP HOME CONTRACT COMPLIANCE MONITORING REVIEW

The OHCMD's last compliance report, dated March 15, 2013, identified two recommendations.

Results

Based on our follow-up, the Group Home fully implemented the two previous recommendations for which they were to ensure that:

- Comprehensive Initial NSPs are developed and include all of the elements in accordance with the NSP template.
- Comprehensive Updated NSPs are developed and include all of the elements in accordance with the NSP template.
